

All Student-Athletes at South Forsyth High School must have a DragonFly account with ALL forms completed to participate in practices and games.

Have you created a DragonFly account? If not, go to www.dragonflymax.com and click "login/sign-up", then "sign up for free." SFHS School Code is: **C6DMSR**

Does your account say **100% Ready? If not, you are NOT cleared to participate in sports for the 2019-2020 school year!**

Tips & Tricks

Create ONE dragonfly max account for the student-athlete. This is easiest to do on a computer. Please REMEMBER your log-in and password. Do NOT create multiple accounts for the same athlete. Family accounts can be linked.

Once logged in, select the respective sport(s) and scroll to the bottom of the profile. Then click GET STARTED for 2019-2020. This will take you to the list of forms to be completed. All forms are REQUIRED; including insurance information, concussion, cardiac arrest, and field trip forms.

ONLY Upload the physical examination form and physical clearance form WITH physician signatures! This is easiest to do on a mobile device by taking photos and uploading each page individually. Make sure you select "physical" when asked what type of document you are uploading and enter the date the physician signed the form(s). Once uploaded, the coach will review. (If needed, upload the supplemental physical examination form for special needs.)

Photos of immunization records and insurance forms are optional, unless specified by the coach, as long as all pertinent information is entered on the electronic forms.
